NO! I can feel the bastard's penis brushing against my vaginal lips. I really am about to be raped. Oh GOD! He's pushing inside me! Must not react... give him the pleasure of seeing my sense of debasement.

HAH! You're just like every other heroine! You get sopping wet when the word rape is used. You're all a bunch of uppity whores!

Prove me wrong, and common rape will be all the punishment you get today. Don't let me force a climax from your helpless body and you'll go home no worse for the wear. However, if I can make you cum, I'm going to show you how uncommon I can be!

You wanted a riddle, so here it is. Answer me this...when is it politically correct to call a white woman dark meat?

What...no answer? Then I'll tell you. A white woman...like yourself... can properly be called dark meat when her white meat has been removed. If you had been more observant you would have realized that this frame isn't part of a milking station. It's a specially designed guillotine! You're going to be debreasted baby!
